Head teacher: Mr S. Aiston, Deputy: Miss L.Simpson,

Dear Parents/ Carers

You may have heard the recent Government announcement about not expecting children from Years 2,3,4 and 5 to be back in school before the Summer holidays. This was always an ambition and was never realistic if the social distancing measures are to remain in place.

We have reviewed our Risk Assessment and given our building, our staff and the number of children we have in from Reception, Year 1, Year 6 and our Key Worker bubbles, **it is highly unlikely we will be able to open to other year groups before the Summer holidays**. I know this may be disappointing or upsetting for you and your children – it is for us too.

We review our plans and the number of children in school on a weekly basis. We are in regular dialogue with the Local Authority and continue to take guidance from them. Again, we ask that you are flexible. If the social distancing rules change, we may be able to free up another classroom and teacher and therefore invite in another year group but we can not offer that at this moment. It is an incredibly frustrating time for all of us and I thank you so much for your understanding.

In the meantime, we will continue with the online support for the children not in school and I will do my best to keep you up to date with Government and Local policy and our decisions based on this.

## From September

We still have no guidance about what will happen from September yet. We hope that the social distancing measures will have altered and school can begin as normal. As soon as we know anything, we will inform you.

In the meantime, any questions please contact me on [sam.aiston2@broseleyprimary.co.uk](mailto:sam.aiston2@broseleyprimary.co.uk). If you have any queries about our actions as a school you can contact the Local Authority via the Shropshire Helpline on 0345 678 9008.

Sam Aiston
