Head teacher: Mr S. Aiston, Deputy: Miss L.Simpson,

Dear Parent,

As you will be aware, there is a delay in the lifting of national restrictions. Following announcements from the Department of Education, the Local Authority have issued guidance about what activities are able to take place during this final half term.

The Local Authority have stated that there has been a rise in COVID cases and schools must take on board the responsibility to help reduce COVID cases by limiting activities and ensuring that schools remain as COVID secure as possible. Therefore:

## **Sports days**

Can take place in bubbles but no spectators are allowed. This will minimise risk to pupils, staff and the wider community.

## **Transition days**

Year 6 transition days have been cancelled. Secondary schools will liaise with primary schools to ensure that appropriate transition events take place for pupils with EHCPs, pupils with high levels of anxiety and any other pupils who may need bespoke transition.

## **Leavers events**

Parents will not be able to attend. The children will create powerpoint and possibly videos of their memories. Further details will follow.

## **Education visits**

These will continue as long as they are in bubbles and are mainly outdoors. We will complete thorough risk assessments for any activity undertaken. If any parents are uncomfortable with any of the activities then please let us know.

## **Transition days for new Reception children**

There will be no transition days inside the building to avoid mixing bubbles from different nurseries. We will continue with our picnics as they will take place outdoors.

We understand this is a disappointing situation but I am sure you can appreciate the reasoning behind the decisions being taken.

Yours sincerely

Sam Aiston
